LITTLE BALLERS

Our Little Ballers program is a weekly developmental basketball class on Sundays for boys & girls 3-5 years old. This non-competitive program uses the game of basketball to help children build self-esteem and coordination while, of course, having fun! Our highly experienced staff will teach children how to dribble, pass, shoot and play defense, all while learning the importance of coordination, teamwork and sportsmanship. Each week, our coaching staff will lead players through basketball drills, exciting games and activities that help build an athletic foundation. Classes are one hour per week for 10 weeks. Program begins Sunday, September 29, 2019.

We're back to where it all began!
